

FWR Parts and Accessories Checklist (provided)

Part	Storage Location	Part	Storage Location
Emriver Em2 Box	---	Perforated Scoop	Inside reservoir
Reservoir	---	Extension cords (2)	Inside reservoir
Emriver supports	---	Squirt bottles (2)	Tote box A
Square buckets (2)	---	Silicon spatulas (2)	Tote box A
Modeling media	5 buckets + 1 tray	Squeegee	Tote box A
Emriver Use and Care Manual/FWR Manual	White binder, inside tote bag*	Hand broom/dust pan	Tote box A
FWR Curriculum and lesson plans	Green binder, inside tote bag*	Sponge	Tote box A
Dye bottles (2)	Tote bag*	Flow outlet	Tote box B
Power supply	Red box*	Measuring tape	Tote box B
Pump and filter	Red box*	Scrapers for moving media (2)	Tote box B
GFCI-equipped outlet	Red box*	Energy Dissipater Unit (EDU)	Tote box B
Crayfish Electronic Flow Controller	Red box*	Standpipe	Tote box B
Accessories(velcro etc.)	Bag, inside red box*	Activity Flags	Tote box C
Metal strainer	Inside reservoir	Simulated riparian vegetation/debris	Tote box C
³ / ₄ -inch-diameter tubing	Inside reservoir	Hydraulic shapes	Tote box C
Solid scoop	Inside reservoir	Simulated culverts, roads, houses, etc.	Tote box C
Sediment trap	Inside reservoir	Riprap stones	Tote box C
Extra mesh	Inside reservoir		

You are responsible for supplying the following:

Item	Purpose
Tie downs or wratchet straps	Transporting the table on a roof rack or inside a truck bed
Tarp	To lay down underneath the table to catch water and sediment debris
Towels	For clean-up
Paper Towels	For hands and clean-up
Trash bin	For sediment “dust” and soiled paper towels
Hose	If direct filling the reservoir. Buckets (provided) may also be used.

- **IMPORTANT:** The red box containing all the electronic parts and the backpack containing the binders and dye bottles **must be stored in a heated space at all times.**
- You are responsible for making sure **all components of the kit are DRY** before returning the table. This includes all the demonstrative parts (riprap, vegetation, etc.) and all cleaning supplies. Do not store wet items in the totes or reservoir! **Please make sure all totes and other items are securely stored and completely inside of the reservoir.**
- **You are responsible for repairing or replacing any items that get damaged or lost while the table and kit are in your care.**
