With guest speaker Ethan Tapper:
Vermont Forester and Author of
How to Love a Forest 🌲

Live music by Colin McCaffrey 🎸

On **Tuesday, 4/7**, please join Friends of the Winooski River's staff and Board at Zenbarn in Waterbury to celebrate another successful year of work across our watershed! These efforts wouldn't be possible without our supporters, donors, volunteers, and *friends* 🍷

Pick-up Date: May 9th, 2026
9am - 12pm

Pick-up Locations:
617 Comstock Road, Berlin VT
~
170 Boyer Circle, Williston, VT

Annual Tree Sale

The Winooski Natural Resources Conservation District (WNRCD) hosts an annual tree sale to help residents of our District access affordable native tree and shrub species and as a fundraiser for our organization. Proceeds from the sale are used to support our work developing and implementing on-the-ground projects that protect natural resources. Additionally, consider donating to the Winooski NRCD and support local conservation efforts! All donations are tax deductible.

We're hiring!

Join our team
this summer as a

Winooski Watershed Intern

Want to help make our watershed a better place this summer?
Join our team as the 2026 Winooski Watershed Intern!

This position will mainly support our residential consultation programs like Storm Smart and Stream Wise, which help landowners learn to manage their riparian buffers and stormwater runoff. As time and interest allows, other activities include conducting culvert surveys, assisting with water quality monitoring program, development of educational materials, etc.
