ticket today!

Join us for a 6-mile paddle from Bolton to Richmond
June 7th | 10:30 am | Free Shuttle

FRIENDS OF THE
Winooski

3

?

Note that the **start time of 10:30 am is the time that ramblers will begin their paddle!** Please arrive between 9 and 9:30 to drop off your boat, sign your waiver, and drive to the take-out for a (free) shuttle back to the start, thanks to Umiak Outfitters!

Put-in: Long Trail River Access lot at 1782-2410 Duxbury Rd. in Bolton.

Take-out: Volunteers Green, 286 Bridge Street in Richmond

Proceeds benefit the Friends' work to protect and restore the Winooski River watershed.

P.S. Are you a strong paddler? We need safety boaters!
Email taylor@winooskiriver.org to volunteer - lunch on us!

Book a Free Property Consultation

Thanks to funding from the Lake Champlain Basin Program, our team is able to offer FREE Property Consultations to help landowners across our watershed better manage their runoff and make their properties friendlier to our rivers and wildlife.

Click the link below to sign up for a visit with our team. Once we receive and review your form, we will send you a link to claim a 1.5 hour time slot. After the consultation, we will follow up with a report that outlines our observations, recommendations, and resources. Spots are limited so the earlier you can schedule with us, the better!

Meet our Summer Intern, Ella Monaghan!

Ella is entering her final year at the University of Vermont studying Sustainability, Ecology, and Policy. She grew up in Seattle, Washington, and is passionate about environmental policy in both Vermont and Washington State.

Her previous work has involved water quality monitoring in the Pacific Northwest and ecotourism and ecology projects in Costa Rica.

Ella is excited to support the Stream Wise and Storm Smart programs in Vermont watersheds this summer with Friends of the Winooski River!
